

Dear Peter,

How are you? My family and I are doing fine. We just went through Hurricane Ivan last week and are still without power. It sure has been hard dealing with no lights, cold showers and no air conditioning. I guess we are living life like the pilgrims. Well I just wanted to say hi and to thank you for letting my parents send you my workshop money in a little later. Dad said he will try to send it next month. I am really excited about going back to the workshop. Take care and write me back some time, → over

Hi Peter,

How are you? I'm fine. I can't believe it's been a month since I went to the workshop! I just wanted to tell you what a great time I had this year at the workshop. I learned a lot of things and made great friends. It was just as good as last year's workshop. I can't wait till another one! I hope when I'm older I can go to one of your England workshops if you invite me. That would be cool. Well I guess I'm gonna let you go for now. Thanks for a great time!

Your friend,  
Brandon Patterson
